

Camp Hill Swimming Club Membership Pack

Fees

Dear Members

As membership 2019 is about to start I would like to inform you of membership and training fees. We have been able to maintain our membership fee; the Swim England annual membership is governed by Swim England and therefore subject to change each year. We have marginally raised training fees for the first time in four years.

We have been advised that the cost of training in the school pool may be increased and we may have to increase the training fees as and when this arises. We unsure by how much this may be but we endeavour to keep it at a minimum to our swimmers and will only pass on the necessary increase.

We are also aiming to move to a card less system for payments and open meets. This will mean that you have the option to set up a monthly direct debit instead of a standing order. We have invested a lot this year into the necessary computer programs allow us to move the club forward. With electronic invoices and invites to galas hopefully ensuring that everyone get the opportunity to compete.

All members will receive a Camp Hill SC swimming hat with their annual membership.

New Members info / Renewal Pack

Welcome to our club we hope you and your kids really enjoy being part of our swimming club and have the opportunity to develop their swimming to whatever level they chose. For those new to the world of swimming we wanted outline a few of the activities we get involved in as part of our membership pack.

We have a lot of information on our website as well and we try hard to be approachable and friendly as possible so if you have any questions at all please don't hesitate to either speak to one of the committee, coaches or helpers at the desk we are always happy to chat!

Squads & Leagues

We have two squads competing in two different leagues.

Development sessions are generally for new swimmers and swimmers up to and including 12 years of age. Every year we complete in the Nuneaton and Bedworth Junior league, which is one gala per month in April, May & June with the finals in September should we qualify. Prior to the league each year a team sheet goes up on the noticeboard at the club listing out swimmers who have made the team.

Performance sessions are for our more experienced swimmers, who are working towards Warwick's or Midlands times as well as our over 12 swimmers. Every year during October – December we compete in the Arena league, with our fastest and committed swimmers picked to be part of that squad.

We are a competitive swim club and the expectation is if a swimmer makes a team sheet for either league, they will make themselves available to swim.

These two leagues cost nothing for swimmers to individually compete in and swimmers represent the club as a team.

Open meets

Open meets are run by clubs all over the country, they have to be staffed by qualified officials and a swimmer chooses which events they want to compete in and a fee is payable per event, per swimmer. The club tries to support (i.e. sends a coach and our team managers) to one open meet per month as these events are where our more dedicated swimmers have an opportunity to get qualifying times for Warwickshire County Championships and Midlands Championships.

Open meets can run over a whole weekend and we try to attend meets within the Midlands. Open meets are entirely at the discretion of the swimmer and their families, there is no expectation from the club that swimmers have to attend these but if the swimmer is keen to improve their PB's and compete then this is the opportunity they are looking for.

Friendly Galas

We also attend a few friendly galas each year, depending on what is available on the calendar, similar to the Junior and Arena League team sheets go up in advance to swimmers who have made the team.

Club Champs

Twice a year we run 'Club Champ's. June/July is our sprint meet (shorter distances) and November long distance. These can run over several nights, taking over our training sessions and open to all our members. They give an opportunity for all our swimmers, especially our youngsters or newest members, to improve their PB's, get experience of racing in a friendly environment. All results are gathered for medal presentations for each age group, girls and boys, during our two social events each year. Short course medals are handed out at our summer BBQ in July and Long Course medals at our Winter Disco in February.

Volunteering & Club financial support

The club cannot function without the support of our volunteers and we need as much help as possible.

We are keen to enable our club champs to become registered meets so that the times achieved here can become official qualifying times. In order to do that we need timekeepers and judges. In addition, behind the scenes any administrative help is always welcome as more hands make light work!

Lastly we are keen to give the opportunity to our swimmers as they get older to develop their coaching and or teaching skills as well as their swimming which will then give them lifelong qualifications for the future. The average hourly rate for a swim teacher/coach is between £8-13 per hour depending on the level and experience.

We want to grow depth in our coaching capacity within the club, both as role models for our younger swimmers but also to increase our flexibility in the sessions we are able to run – for example summer training.

Club financial Support for volunteering

Some courses attract external funding grants, in signing up for a course we will explain how these grants can be applied for. We will also apply centrally for any grants possible to run courses for the club if we have enough take up.

In recognition of the financial implications of club members signing up for these courses for certain key roles we will support parents and swimmers as follows:

Type	External grant available	Club funded	Funded by individual	Volunteering contribution expected from individual
Aquatic Helper	N/A			
Level 1 Coach	50%	25%	25%	Weekly sessions during the course and 3 mths following the course 1 session coaching per week regular commitment
Level 2 Coach	50%	25%	25%	Weekly sessions during the course and 6 mths following the course 1 session coaching per week regular

				commitment
Level 1 Teaching	25%	50%	25%	Weekly sessions during the course and 3 mths following the course 1 session coaching per week regular commitment
Level 2 Teaching	25%	50%	25%	Weekly sessions during the course and 6 mths following the course 1 session coaching per week regular commitment
Timekeeper	N/A	100%	nil	1 – 2 sessions at club champs
British Swimming Judge Level 1	N/A	100%	nil	1 – 2 sessions at club champs
British Swimming Judge Level 2	N/A	100%	nil	1 – 2 sessions at club champs
Starter Judge	TBC			
British Swimming Referee	TBC			

Heather is our workforce co-ordinator and is happy to discuss the details and requirements associated with any of the courses. We want to be able to build an annual plan so that we can arrange courses with the help of Swim England for 2019 at suitable times for club members, perhaps over the course a few weeks in the evenings and also apply for additional grant funding.

Club support for Swimmers achievement

We are seeing more of our swimmers reach Warwickshire County Championships, West Midlands County Championships and be invited to other Training camps or swimming related activities.

The club is prepared to fund the following

Warwickshire County Championships	£1 per event and coaches passes
West Midlands Championships	£2 per event and coaches passes
ASA County, Regional & National Training Camps	50% up to a maximum of £100 in a Calendar Year

If any member/swimmer has problems fully funding the above activities then please come and talk to one of the committee to review additional support.
